Naked Kylie's having a prank!

KYLIE Jenner left little to the imagination with her most recent Insta post.

The billionaire babe has been an Instagram pro since her early teens, but her latest post may well have broken the internet.

Kylie struck a pose in a swimsuit that had been printed with a painting of a woman's naked body.

At first glance, it looked to many as though the 21-year-old was utterly starkers – but at a second, it was clear she was just modelling a one-piece.

The suit was designed by French fashion house Jean-Paul Gaultier, and featured a cut-out back and plunging neckline.

With her hair worked into a glossy black braid, and a large pair of hoop earrings, the cosmetics guru looked sensational.

Sizzling

Not content with just one snap, she carried out a whole photoshoot in the sizzling swimsuit, leaning back against a volleyball net before posing beside a few palm trees.

Aware of the optical illusion effect of her swimsuit, she captioned the online pic: "Let 'em wonder."

And taking to the comment section, her 140 million followers made it clear that the breath-taking pictures had raised more than just a few eyebrows.

One said: "Breaking the internet!"

While a second added: "When you thought she just couldn't get any hotter…"

And a third waded in with: "I can't handle all this heat!"

Tragic Whitney's sexy flash revealed in TV documentary

SHE had the voice of an angel – and the drug habit of a two-bob hooker...

The dark side of tragic pop legend Whitney Houston has been uncovered in Kevin Macdonald's documentary *Whitney*.

In the film, many of *The Greatest Love of All* singer's friends, family and colleagues speak candidly about the parts of her life, leading up to her 2012 death by accidental drowning, that her millions of fans never saw.

By SARAH DILLON

And spliced between the interviews are "previously unreleased recordings, very rare never-before-seen footage and live performances recorded by Houston at various stages her life.

And the film has an even bigger bombshell – Whitney's BOOB on display as she adjusts her bra during some of the exclusive footage.

One fan said: "It seems a bit wrong – but I liked seeing Whitney's buster!"

MONDAY

CODE-cracking scientist Alan Turing – who was hounded to an early grave for being gay – is named as the new face of the £50 note.

Let's face it. That's the only way he was ever going to find himself inside a stripper's knickers.

TUESDAY

PRIME Minister-in-waiting Boris Johnson is accused of telling fibs – yes, even more of them – about having his favourite bicycle nicked.

Chin up, Bozza. We're sure you'll be throwing your leg over a new model before the week is out – maybe one of those vintage sit-up-and-beg beauties, all freshly-oiled and waiting for a good ride. She might even have a spare bike that you can borrow.

WEDNESDAY

A PAIR of brave London bakers are hailed as heroes after previously unseen footage shows them trying to tackle the Borough Market terrorists with nothing but plastic crates – and whatever bread was inside them.

Never mind fighting fire with fire. We say fight nutters with baguettes.

THURSDAY

TRIBUTES are paid to the man who composed the music for the classic Shake n' Vac adverts.

Jonathan Hodge died aged 78 after a long illness.

He requested a private funeral and for his ashes to be scattered over the nearest shagpile carpet – ideally by a manic but definitely fkable housewife with a Princess Diana haircut.**

FRIDAY

A TRAILER for the *Top Gun* sequel is released – more than 30 years after the first one.

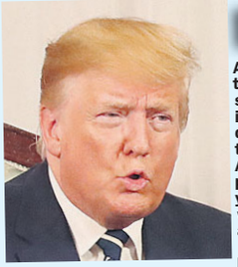
Tom Cruise is back as "Maverick" but he's no spring chicken any more, which means they've re-worked some of his classic catchphrases.

Altogether now, fellas: "I feel the need… the need to pee."

His knees and back aren't up to beach volleyball these days either, but that scene where he plays topless dominoes is a belter.

And just one word of advice for the elderly fighter pilot – if your missus has "lost that loving feeling", you might want to ditch the karaoke and try a course of HRT and a tube of KY jelly.

SATURDAY



AMERICA pauses to celebrate a very special moment in its history – the day they showed the world that ANYTHING is possible, so long as you are willing to work hard, think big and never give up.

No, not the Moon landings, dummy.

We mean they finally managed to get Donald Trump through an entire day without doing something really stupid.

BEACH GOBBLE: Kerry tucks into whopping burger

BABES WHO LIKE THEIR NOSH – PAGES 19 - 23

Kerry's boobs are lickin' good!

By JAYNE FERGUSON
news@sundaysport.co.uk

KERRY Katona has blasted trolls who mocked her for eating a burger while topless – and asked if they'd rather she was snorting cocaine.

Kerry, 38, hit out after she was snapped on camera eating junk food earlier this month while relaxing on a beach in Greece.

The mum-of-five found herself being ridiculed by mean critics but hit back: "I know everyone's going mad about me scoffing a burger in my bikini but, sorry, would you prefer it if it was a line of coke?"

Kerry recently had to endure brickbats from dad extremists Fathers4Justice who claimed the former Atomic Kitten had "blood on her hands" following the death of ex George Kay.

They were referring to claims Kay hadn't seen their daughter in a year before he dropped dead of a cocaine overdose.

A pal said: "I don't reckon it will put Kerry off her burgers!"

FUR-KING HELL... Mary reveals Tammy's freaky markings

MIAOW THEN, MIAOW THEN

WHEN Mary Green went to her local cats' home, one furry friend stood out from the rest.

"Tammy" appealed to Mary because he'd been in the pound for six months – and she soon discovered why.

Would-be pet owners had been repelled by strange markings on his body which form the face of mega-pervert Jimmy Savile!

After the *Jim'll Fix It* presenter died in 2011, aged 84, he was exposed as Britain's most prolific sex offender, having abused hundreds of youngsters.

Mary, 56, from Bromsgrove, Worcs, said:

"He's a lovely cat with a warm personality and he absolutely loves his cuddles.

"The poor thing won't have a clue who Savile was, so he can hardly be blamed for his markings.

"Savile's hideous crimes make my blood run cold, but that's not Tammy's fault.

"He's a talking point for visitors, some of whom think I might be a bit crazy.

"But they can think what they like – Tammy is my friend for life and he's definitely no nonce!"

It's about rhyme Bella went naked!

IF you want someone to read your book of poems, it's always a good idea to publish one of your odes alongside a NAKED snap…

Well, if you're little Bella Thorne, that is.

The 21-year-old former Disney star has just released her book of poetry called *The Life of a Wannabe Mogul*.

And she plugged her book with one of her poems captioning a nude pic in which she's sitting cross-legged and nude while her legs are placed to cover all her private parts (*left*).

The poem reads: *"I'm sorry for the words I said, I'm sorry for the monsters stuck under my bed, I'm sorry for those starry faithful eyes, I'm sorry their nothing but demise, To me… To me."*

One poetry expert said: "It's not exactly John Donne, is it – but at least it rhymes."

Amber's plan to axe catchy revenge porn

FIT actress Amber Heard says she wants to ban the expression "revenge porn".

The *Aquaman* star was hacked back in 2014 during the infamous Celebgate – also known online as 'The Fappening' – and is now working with the US Congress for a legislative solution.

Her nude photos have continued to circulate online ever since – which she said has caused her to be "harassed, stalked, and humiliated".

While she's trying to put a stop to that legally, Amber also wants to fight the war of public perception about the online crime.

This week she was a guest on the new podcast version of *The Conversation with Amanda de Cadenet*, where she opened up about what she considers an important step towards getting rid of revenge porn.

The 33-year-old (*right*) said: "'Revenge porn' is problematic for a number of reasons – even though it's 'catchy'."

She added: "It implies that there was an action, for which the victim was responsible. For you to seek revenge, it implies that somebody did something wrong."

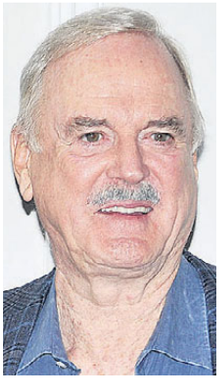
Cleese: I'm far too naughty to be a Sir

FORMER funnyman John Cleese has said he is "too naughty" for a knighthood.

His Monty Python co-star, Sir Michael Palin, was recently knighted for his services to travel, culture and geography – making him the first member of the classic sketch show cast to receive the honour.

But Cleese, 79 (*below*), said he has no intention of taking the same path, adding that he doubts he will ever be offered a knighthood due to his "controversial" behaviour.

This is despite the fact that during his investiture at Buckingham Palace last month, Sir Michael hinted that Cleese had previously turned down the offer.



Speaking on ITV's *Lorraine*, he said: "I'm much too naughty and mischievous. Michael's quite respectable. He doesn't do naughty things, he's not rude about the Press like I am.

"People like me don't get knighted. But that's right – I don't think comedians should have knighthoods.

"By and large we're supposed to say controversial things. It makes us interesting."

Kate rapped over live TV spank gaffe

PRUDE mums hit the roof after male strippers were SPANKED by Kate Garraway on *Good Morning Britain*.

The scenes, which unfolded at 7.30am on Friday, left some parents furious as they deemed the kinky scenes "shameful".

The segment saw showbiz reporter Richard Arnold discuss the previous night's *Love Island*, revealing how a task saw the lads in the villa strip.

To recreate the scenes, Richard brought on three hunky male strippers to re-enact the moment.

One of the strippers handed co-host Kate a swat to spank him in jaw-dropping scenes.

"Objectification of men is OK? Didn't think it was possible for *GMB* to sink any lower," one furious Twitter user wrote.

And a second user posted: "*GMB* using male strippers really is sexist, shameful and there are children watching, too."

Home flash ban for dog owner

A FORKLIFT truck driver has been banned from standing naked in windows or doorways at his home.

Alwyn Roberts, 52, failed in his bid to get a court to accept that he had not intentionally "flashed" a woman who saw him standing with no clothes on at the door of his house in Betws-y-Coed, North Wales.

Roberts had claimed he slept naked and went downstairs to let his dog out.

He told magistrates in Llandudno: "I was in a blind panic to get the dog out before he messed everywhere."

He said when he unlocked the door and saw a woman he went back inside and put on a dressing gown.

But Roberts was found guilty of intentionally exposing himself.

He'll be sentenced next month.

WHITE HOUSE REFUTES BIGOTRY CLAIMS

THE PRESIDENT BLACKS UP EVERY CHRISTMAS SO HOW CAN HE BE RACIST?

DARK SIDE: Trump is said to put on a show like this for the family

READER PIC

Three breast pals love a quick flash!

WE'RE always happy to get a photo of a lovely topless lady for our Reader Pic feature.

But when THREE pals sent us a snap of them ALL whopping out their busters, we were cock-a-hoop.

Teri, Beth and Caroline, from Hull, sent us this snap last week with the message: "Hope you like it!"

We really do, girls!

Would you like to see your sexy pic in *Sunday Sport*? Email readerpics@sunday-sport.co.uk – we'll reply straight back.

WHITE House aides desperate to defend their boss against charges of racism last night dropped a huge bollock by admitting Donald Trump BLACKS UP!

The US President has faced a furore in recent days for telling four ethnic-heritage US congresswomen to "go home".

He has been blasted by world leaders, the Democrat opposition and even some members of his own Republican Party after he tweeted of the congresswomen: "IF YOU ARE NOT HAPPY HERE, YOU CAN LEAVE! It is your choice, and your choice alone. This is about love for America."

Now, in a bizarre and, frankly, insane effort to defuse the situation, a White House staffer told sources: "Every Christmas the President blacks up and sings some good ol' minstrel songs for the family.

"That is not the act of a racist man."

The latest White House utterance was met with disbelief.

A source at 10 Downing Street said: "If President Trump was a drunkard, like Nixon, you would assume he's been on the sauce.

"But he comes out with stuff like this stone cold sober. He's clearly crackers.

"And for his staff to claim that blacking up makes him NOT racist? They're as barking as he is."

While blacking-up used to be a harmless jape, it is now considered HUGELY racist and is guaranteed to make some snowflakes actually FAINT with shock.

THE VOICE OF YOUR BRITAIN

Our Kerry's a breast of fresh air!

THREE cheers for Kerry Katona!

Kerry would be the first to admit that she did not have the easiest start in life in her native Warrington.

But through admirable pluck, determination and sheer hard work, Kerry became a star – first through the girl band Atomic Kitten and more recently as a TV personality.

OK, the road to stardom may have been rocky at times, but Kerry has just kept on going.

And today, in Sunday Sport, we see pictures of Kerry topless, happy and feasting on a mammoth burger.

That is an image that is worth a million dreary lectures from body-positivity bores.

Not for fun-loving Kerry the semi-starvation of some sadistic California diet craze.

No.

Sun, beach, burger, baps out!

Kerry has known much sadness in her life.

She was unfairly targeted by trolls following the death of her ex-husband George Kay.

A fraction of Kerry's challenges would have floored a lesser person but she has borne them all with fortitude.

What an inspiration…

What a woman…

What an amazing pair of busters…

BRAVO!

Our duty to expose Cilla knicker rogue

CILLA Black was one of Britain's best-loved entertainers.

Her death in 2015 robbed the world of a great talent and left a yawning hole in all our lives.

So when a convicted fraudster came to us offering a pair of the late star's worn panties, we HAD to act.

Our investigations have exposed this wretched wrongdoer and if there is ANY justice in the world, he is on a one-way street to the place he belongs…

Dog sex teen collared with hair on face

A PERVERT has been charged with having animal sex after police claim he shagged a dog and was also photographed with a "large amount of dog hair on his face and clothing".

Montgomery "Pee Wee" Hays, 18 (*above*), has been charged with bestiality.

A neighbour in Hardin Co, Tennessee, told officers she saw him having sex with her German Shepard on July 10.

A responding officer said that Hays had his "pants around his knees having sex with their dog."

Cops took photos that showed Hays having a "large amount of dog hair on his face and clothing".

Hays admitted to investigators he was having sex with the animal.

He was booked into jail but has since been bailed.

Airline sorry for death stats post

A MAJOR commercial airline has been forced to backpedal after it came under fire for warning that passengers seated in the middle of the plane are more likely to DIE if the jet were to crash.

KLM Royal Dutch Airlines scrambled to deny that it was making light of flight fatalities following a bizarre tweet which quoted the worrying statistics.

The company's India branch wrote on Twitter: "According to data studies by *Time*, the fatality rate for the seats in the middle of the plane is the highest."

After apologising, the airline said: "The post has since been deleted."

Body-positive band Sausage, Chips, Peas & Gravy aim to draw support from the legions of plus-sized ladies across Britain who eschew the skinny look that the likes of fashionistas at *Vogue* and *Cosmopolitan* favour.

"We can sing, we can dance, and yes – for those wondering – we also eat whatever we want to…like a traditional sausage dinner from the chippy.

"We're also never afraid to demonstrate that so-called larger ladies are as sexy as anybody else – so here are our boobs!"

She added: "Carrying a bit of timber is called keeping yourself alive, rather than starving yourself to death just so a weird man can wank over a picture of you while sat in his bedsit."

Completing the line-up with Kristy are "Chips", "Gravy" and "Peas" – whose real names are Mil Cole, 20, from Stoke, Hannah Whittle, 25, from Birkenhead, and Shirley Lewis, 25, from Alderley Edge, Cheshire.

The fearless foursome say they have even been invited to appear on the next Royal Variety Performance in November – normally the home of either established acts or *Britain's Got Talent* winners.

Sausage added: "You can't really imagine how excited we all are over getting the chance not just to perform, but to send out a positive message to girls everywhere.

"It's vital that girls realise that the images they see in fashion mags are far detached from reality.

"We are what women look like. And we should all be proud of that."

The band are now busy rehearsing for their gig in November along with songwriting, choreography, and publicity.

Their first single – *Badly Packed Kebab* – is set for release early next month.

FEMINIST FURY OVER CHORES FOR BJ CHART

THE internet almost melted last night when a feminist forum shared an image of a hand-drawn diagram of a sticker reward chore chart for dads.

The image shows a grid filled with Disney-themed stickers and doodles, with the title "Daddy's Sticker Chart".

It lists seven chore tasks with spaces for up to six stickers, indicating the chore has been completed, which then leads to big rewards.

Duties outlined on the chart include "wash dishes," earning dad a 12-pack of his favourite brew, "put toilet seat down" is rewarded with "no nagging" for seven days, and "change blowout diaper" gets him a striptease show.

DADDY'S STICKER CHART

Even a grand prize "BJ!" is performed for cleaning up baby vomit.

The Reddit user who posted the image said it made them feel "sick". "It just doesn't feel right to offer up sexual intimacy for housework or child care," they tromboned. "It also perpetuates the myth of the Incompetent Dad – men don't need a reward chore chart like this to participate in the routine of activities of daily living, do they?"

Some agreed, as one wrote: "Ick. If your husband is just another child to you, you should not be with him."

City hookers 'flash boobs and fannies at punters'

HOOKERS are lying on the street with their legs spread and their naked MINGES gaping open, begging for passing trade, fed-up locals have claimed.

Sex workers are said to be operating around the clock in Swansea and have been spotted half naked on a city bridge after being moved on from the city centre.

Eyewitnesses say some of the women flash their boobs AND fannies at would-be punters in the hope of securing their trade.

And staff working at nearby firms are being asked by punters if they are interested in "business".

Shop assistant Teresa Marsh, 57, said there were prostitutes yelling out for trade from bridges in the city.

"She was on the bridge, naked from the waist down, legs akimbo, saying 'come and get me'," she said of one woman.

"They can be near the shop from 7am and any time at night. If there is business to be made, they will be there."

She added: "I was outside having a fag and someone was going 'Love, love, how much are you charging?'"

REALITY STAR STOLE PANTIES

SNEAKED INTO ROOM: Siddall

A MAN who featured in a reality TV show about life on a farm stole 30 pairs of knickers from a woman's bedroom in a country cottage.

Farmer's son Geraint Siddall was caught on camera sneaking into the cottage Lisa Roberts rented from his dad.

A court heard Siddall, 33, was seen going through her knicker drawer to remove underwear from her bedroom.

Lisa said she felt "violated and distressed" and "absolutely sick to my stomach" because of his actions.

Sinister

She moved out of the country home after the knicker nicker was caught.

A court heard Siddall had a key to victim Lisa's property because she rented it from his family on Anglesey, North Wales.

She became aware that some items of her underwear, which were kept in a drawer, were missing.

But she thought they may have been in the washing basket.

Over the following days more underwear went missing – until she had just two pairs of knickers left.

By WENDY THOMAS
news@sundaysport.co.uk

Another time, other underwear normally kept in a drawer were later found in a wardrobe.

A covert camera was installed in the room – and showed Siddall in the room going through the drawers.

Diane Williams, prosecuting, told the court of "the sinister nature and impact" on Lisa, 28, who lived with her partner and young child.

They had a key to the property but Lisa believed they had never used it – instead always visiting when the family were at home.

Richard Williams, defending, said: "He has no rational explanation for this behaviour. He doesn't have an obsession with the injured party.

"He entirely appreciates this would have been an extremely distressing experience. He's very, very sorry for that."

Magistrates in Caernarfon gave Siddall, of Newborough, Anglesey, an eight-week suspended sentence after he admitted harassment.

Siddall appeared as a finalist on *Fferm Ffactor – Farm Factor* on S4C in Wales – in 2009 and in 2014.

Porn star called ex a 'slag' and sent naked pics to her new fella

A PORN star is facing jail after stalking his former girlfriend and sending naked snaps of her to her friends and family.

The man, who cannot be named for legal reasons, began bombarding his ex with text messages and phone calls after she called time on their two-and-a-half-year relationship.

Kilmarnock Sheriff Court heard the man and North Ayrshire woman met 15 years ago when they were both working in the adult entertainment and escort industry.

They began seeing each other 10 years later, but when the woman ended the relationship the 39-year-old began terrorising her with calls and texts threatening to expose her past, calling her "a whore and a slag".

The court heard the man was furious after finding out his ex had a new boyfriend.

He began sending naked pictures of her to her new partner and one of her work colleagues.

He continued to contact the woman until January 14 this year when she called the police to report him and he was arrested.

Monkey-in-bath lady faces trial

A SICKO woman has been charged with two counts of animal cruelty after police say they found a dead dog and a caged monkey in the BATH at her home.

Lisa Jean Wade, 41 (*above*), was released from jail on bail but custody of the 19-year-old macaque monkey, Josie, remains uncertain.

Josie is currently being housed at the Hawkins County Humane Society until Lisa's case is heard in Hawkins Co Sessions Court, Tennessee.

Her son, Cody Wade, visited Josie at the humane society claiming his mother signed over custody to him.

He said: "The way I see Josie, she's my sister. She's not a primate.

"She has been with me from a young age."

FANS of sitcom *Gavin & Stacey* were out in force last week to catch a glimpse of their favourite stars filming their Christmas Special.

But we reckon we've got the best shots of the classic comedy's leading ladies.

It's enough to make Smithy – aka James Corden – choke on his pies.

Gorgeous Joanna Page, 42, who plays naïve Welsh lass Stacey, went nude in 2003's *Love Actually*.

Then there's Alison Steadman, 72 – who plays Gavin's mum, Pam – who appeared topless on telly in the BBC's *Play for Today* back in 1970.

Julia Davis, 52, who plays hapless Dawn in the Barry-set series, went topless in last year's naughty lesbo flick *Sally4Ever*.

Corden, 40, who plays Gavin's best mate Smithy, co-writes the show with fellow cast member Ruth Jones, 52, who plays his on-off screen girlfriend Nessa.

Ape army set to wipe us all out!

BOFFINS have warned a firm which connected a MONKEY'S brain to a computer is paving the way for armies of robot simian soldiers that could wipe out humanity.

NeuraLink, set up by tech billionaire Elon Musk *(above)* to explore ways to connect the human brain to a computer interface, has applied to US regulators to start trialling its device on people.

The system has been tested on a monkey which was able to control a PC with its brain, according to Mr Musk.

The firm said it wanted to focus on patients with severe neurological conditions.

But some experts have cautioned that Musk's breakthrough could lead to a *Planet of the Apes*-style calamity that will ultimately destroy mankind.

Dr Jeff Stokes, a former lecturer in cybernetics at the University of West Lancs, said: "This is *Planet of the Apes* meets *Terminator* – and the human race came out the worst in both those films!"

Undercrackers carjacker nicked

A WOMAN fought back against a carjacker who wore just his undies.

The bandit dragged her out of the driver's seat but she jumped into the back as he tried to get away, crashing into other vehicles.

Julie McCrae, of Werribee, in Melbourne, Australia, was panicked in the back seat of her car as it sped with the near-nude carjacker at the wheel.

She said: "My door just opened and there was this guy standing there in his undies saying, 'Give me your car!'

"He started to be quite aggressive toward me.

"Then he pulled me out of the car and I ended up on my arse. I was off the ground in lightning speed and jumped back into the car, to protect it."

Benedict Kearney, 37, was later arrested and charged with carjacking and assault.

I bought Poundland's £9 'Gucci' trainers & now I'm drowning in pussy

RUMPY PUMPY: Barry is getting lots of bedroom action thanks to his swanky new Poundland trainers

PRICEY: The real Gucci trainers

SEX-STARVED Barry Toft says he's beating off the pussy with a shitty stick – and it's all thanks to knock-down retailer POUNDLAND!

SUNDAY SPORT EXCLUSIVE

By SIMON DEAN

Because ever since the 65-year-old invested £9 in a pair of their new trainers, his cock has not been dry.

Barry laughed: "All the birds round here reckon they're them Gucci ones and they start frothing at the gash when they see 'em.

"They can't wait to get their bloomers down and get a piece of Little Barry!"

Poundland – found in shopping arcades up and down Britain – is famed for its cheeky marketing.

And now it's selling a pair of trainers that are almost identical to designer brand Gucci's £445 version.

Loved by the likes of Kourtney Kardashian and Taylor Swift, the pricey designer pair of pumps are popular among celebrities and what the young people call "influencers".

Cheap

But at almost £450 per pair, they don't come cheap.

So, an almost identical version from Poundland is flying off the shelves – and Barry was one of the first to pick up a size nine pair.

Barry, of Salford, added: "Until I got these pumps, I'd not had sex since the Queen Mum's funeral.

"But once I'd been to Poundland and bought my new pumps I was up to my eyes in pussy. Salford birds go mad for decent trainers and they went mad for mine.

"My knob's red raw…I'm literally drowning in pussy!"

Poundland's trainers were an immediate sensation last week thanks to their similarity to the luxury Gucci originals.

At first glance, the only feature setting the two pairs apart is a slight difference in colour.

While Gucci's signature 'Ace' trainers feature green and red stripes, the bargain Poundland version features black and red.

An expert said: "It's very cheeky!"

Nude photo shooters kicked off nature site

AN illegal nude photo shoot team was booted off a site in Kent.

The team was caught taking nude photos at the Dungeness National Nature Reserve on Romney Marsh.

Estate manager Owen Leyshon tweeted: "The delights of Dungeness – illegal nude shoot this evening which my work colleague @Jake_L_Jones offered to attend and explain the errors of their ways and ask them to leave."

It is not known who was behind the photo shoot. But to film at the reserve, permission and a fee is needed.

10 things you might not know about THE MOON

IT'S 50 years since man walked on the Moon and everyone is going Moon crazy!

But what do we really know about our nearest astronomical neighbour?

Here are 10 things you might not know…

1 THE most widely-accepted explanation is that the Moon was created when a rock the size of Mars twatted into Earth, shortly after the solar system began forming about 4.5billion years ago.

2 MONS Huygens is the tallest mountain on the Moon, it is 4,700metres tall, just over half the height of Mount Everest (8,848m).

3 THE Moon rotates on its axis in around the same length of time it takes to orbit the Earth. This means that from Earth we only ever see one side.

4 THE Moon is very hot during the day but very cold at night. The average surface temperature of the Moon is 107 degrees Celsius during the day and -153 degrees Celsius at night.

5 THE Moon is moving approximately 3.8cm away from our planet every year.

6 THE Soviet Union's Luna program featured the first successful landing of an unmanned spacecraft on the surface of the Moon in 1966.

7 THERE are over 500,000 craters on the Moon's surface – many are named after people.

8 THERE is water in the form of ice trapped within dust and minerals on and under the surface. It has been detected on areas of the lunar surface that are in permanent shadow and are therefore very cold, enabling the ice to survive.

9 ONLY 12 people have ever walked on the Moon.

10 THE Moon's phases have historically been linked with madness – and the word "lunatic" comes from this association.

MOONING LUNARTICS!

IT was one giant leap for mankind…

By JAYNE FERGUSON

Fifty years ago yesterday, astronauts Neil Armstrong and Edwin "Buzz" Aldrin became the first human beings to walk on the Moon at the climax of the Apollo 11 mission.

There have been a plethora of TV shows to mark this historic anniversary.

Our Fleet Street rivals have busily reprinted poster specials of their front pages from the day man walked on the Moon.

Here at *Sunday Sport*, we're different.

As our tribute to the men with the Right Stuff, we're printing a load of babes MOONING!

A source close to Apollo 11 commander Neil Armstrong – who died in 2012 – enthused: "It's what he would have wanted!"

Man used stool at window to flash neighbour

A SEX offender was arrested after he stood naked in front of a window at his home to show a female neighbour his genitals.

Georlin Bounds, 38, from Layton, Salt Lake City, has been charged with two counts of lewdness by a sex offender with prior convictions.

Bounds told cops he didn't think anyone would see him – but officers "saw a stool beneath the bedroom window that faced the woman's home".

The charges come after Bounds allegedly exposed himself to women on two separate occasions in June.

He was arrested after he allegedly followed a group of girls in a car so he could expose himself to them.

Bounds *(above)* was convicted in 2009 of attempted sexual exploitation of a minor and sentenced to up to five years in the Utah State Prison.

Task force backs group sex culture

QUIRKY left-wing "psychiatrists" are trying to normalise the idea of GROUP SEX.

The American Psychological Association has a task force aiming to make "consensual non-monogamy" a regular thing.

The task force "promotes awareness and inclusivity about consensual non-monogamy and diverse expressions of intimate relationships.

"These include, but are not limited to, people who practice polyamory, open relationships, swinging, relationship anarchy and other types of ethical, non-monogamous relationships."

The association is advocating that "swingers who openly exchange sex partners outside of marriage become a legally protected class with special rights and privileges".

Teacher axed over S&M sex with teenager

A TEACHER who had a violent sadomasochistic sexual relationship with a teenage student has been banned from working in schools.

The level of violence and abusive material sent to the 17-year-old girl was among the worst level of offending, according to the Queensland Civil and Administrative Tribunal in Australia.

It imposed the maximum eight-year teaching ban on the man, and he will need to pass psychological tests before returning to education.

The relationship between the English teacher and the girl, who's 20 years his junior, started when he was directing the teen in a school play in October 2008.

The pair set up secret email accounts that the teacher used to send pornographic and sometimes violent sexual images to her.

The unnamed teacher used sadomasochistic sex toys on the pupil and on one occasion engaged in "rough sex" while she sobbed.

She suffered a nervous breakdown in 2015, underwent therapy and reported the relationship to police.

The tribunal found the teacher had manipulated the teen, and he did not oppose the order.

Subway stripper flashed her seat

A WOMAN riding a busy subway train stripped NAKED – just to try and get a seat.

She approached a seated man, hoping to coax him into yielding his place, on the Moscow underground.

When he responded by asking why he should bother doing so, the woman lifted her skirt and took off her panties.

She also tried to make conversation with other passengers, one of which managed to film the impromptu striptease.

The woman rode naked for several stations before finally putting her clothes back on.

Seven million people board Moscow's Metro subway trains every day.

TELLY ISLAND BABE INDIA STRIPS TOPLESS

We're lovin' it!

By SUZIE SHELDON
news@sundaysport.co.uk

LOVE Island went from sizzling to SCORCHING last week – thanks to the arrival of stunna India Reynolds.

The 28-year-old beauty from Reading, Berks, set pulses racing as she turned the male islanders' heads.

And as our exclusive topless snaps of her on a holiday before she arrived in the villa show, there's no mistaking what her big assets are!

And with only a couple of weeks left of this year's series there's everything still to play for.

India already had 261,000 followers on Instagram when she strutted into the villa last week.

And that soon rocketed up even further!

A TV insider said: "India is exactly what the show needs right now.

"She's irresistible

"As a keen chef she also loves to cook and everyone knows the way to a man's heart is through his belly."

The former glamour girl and keen vegan chef lost no time wading into the lads.

She was filmed sharing a smooch on the sofa with favourite Ovie Soko.

Ovie said: "You're cool, you know what I mean?"

India thanked him before adding: "So are you…"

Then Ovie leaned in to kiss her, with her meeting him halfway.

Lucky bastard!

Tosser tells cops: Suck on my dick!

A MAN who was being arrested for allegedly masturbating outside a supermarket is also accused of grabbing a police officer's arse and saying: "Suck my dick!"

Trenton Rich, 19 (*above*), was charged with battery of an officer, assault, resisting arrest and exposure of sexual organs.

Police officers responded shortly after 4.30pm on Saturday to the Walmart store in Pensacola, Florida, in response to a report of indecent exposure.

A cop spotted a white man with blond curly hair wearing grey sweatpants and no shirt sitting on top of a picnic table next to the store's pickup area.

When she asked for his name, Rich said: "Suck my dick."

Rich then allegedly resisted and pulled his hands away from the officer, pulled his pants down, exposed himself and repeated: "Suck on it!"

He is being held.

WANKER: Billy used Rainbow puppet to rip the end off it

Sex with Zippy SLICED OFF my BELLEND!

CIDER fan Billy Phelps was feeling fruity after downing a bottle of his favourite Frosty Jack's grog – and immediately reached out for "Zippy".

The 24-year-old *Rainbow* fan had bought the £15 puppet online, on a nostalgic whim.

After a few strong drinks, Billy decided to pleasure himself with the puppet on his hand...

But disaster struck when he lacerated his bellend on Zippy's metal zipper "teeth", leaving him with a deep cut in his tender glans.

Billy, of Porthmadog, North Wales, said: "It was just a moment of sheer madness to be honest.

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN

"I live by myself so I didn't think there was anything wrong with using Zippy to have one off the wrist with. I was in my own home, after all!

"Then I felt a slicing sensation and there was blood everywhere, spurting out of my cock tip.

Agonising

"It was agonising – and quite embarrassing down at the local A&E. I won't be doing that again!"

Billy's Zippy shame comes after reports last week about how staff on the 1970s kids' TV series told how they kept their spirits up behind the scenes with high jinks and double entendres.

By George, that must have hurt!

Ha-ha! He got his Rod maimed!

Naked woman's clash with cops

A TOPLESS woman involved in a clash with police faces several charges including assault.

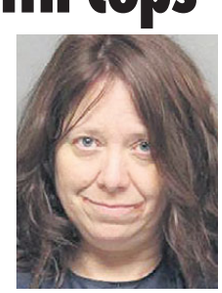
Officers responded to a complaint about a naked woman who was yelling and throwing things in Lincoln, Nebraska.

Authorities arrived to find Sulathia Henry, 45 (*right*), naked and yelling at "fresh air".

Investigators say she put her pants on but remained topless as she turned and walked away from cops who were telling her to stop.

As an officer grabbed her arm, Henry turned and struck the cop in the face and a struggle followed during which they both ended up on the ground.

She was arrested for assaulting an officer, resisting arrest and public nudity.



A police source said: "Every day you come face to face with death, violence and misery.

"You may have thought the odd naked woman would be a rare occasion for a smile.

"But that lady's beaver smelled worse than a skunk in a cesspit!"

DEANO ON SUNDAY

DUMP THE CLUELESS COUNCILS!

LOCAL councils. What is the point of them again?

Their job is to empty the bins and sweep up the dogshit – that's about it.

But they've more or less given up on that. Bins are now emptied less frequently than I change my gruds and instead of picking up dogshit, they spray it pink and take DNA to "find the offender".

Armed with anti-democratic powers that nobody voted for them to have, councils have made it their business to spy, snoop and interfere wherever they can.

But ask them to do something – you know the job we pay them to do – and they come over all, "Oh we can't do that because of the cuts."

Which is utter bollocks.

Councils do not want to do the jobs we pay them for because the poxy little jumped-up twunts think it's BELOW them.

They think they are our masters rather than our servants.

And the way things are, they're bloody well right.

Try withholding payment from a council because you're unhappy with the service.

What will happen?

They'll throw you in jail where you'll get arse-raped and hooked on drugs.

The latest wheeze is for councils to charge people for using the tip.

That's right. They are charging people to throw away their own rubbish – a service they've ALREADY paid for.

What kind of bitter, twisted, arrogant shit for brains comes up with a nasty rule like that?

But, like every wheeze every council anywhere has ever come up with, it's BACKFIRED.

Because rather than pay to dump rubbish at the tip, people are simply fly-tipping.

Hell

Now, for my money, fly-tippers belong in the same circle of hell as council bosses.

But you can understand why some of the less-fastidious members of our society may be tempted to hurl their rubbish in a hedge if the local council start charging at the tip.

In fact, the council KNOW their stupidity is going to lead to more fly-tipping.

Last month, gardeners in Kent were made to pay £4 to dispose of bags of soil or rubble at local tips.

At the same time, it emerged the same council was increasing its budget for tackling fly-tipping.

They f**king KNEW charging at tips would lead to more trash in the countryside.

Yet still they did it.

Whatever they do, whatever they touch, local councils f**k it up time and time again.

They've destroyed the rubbish collection system.

They've turned every children's home into a buffet for nonces.

Their planning committees have destroyed the countryside.

What's the answer?

Let's tear down the Town Halls and replace local councils with something that actually works.

Is Brian Britain's SHITTEST Kate Bush tribute?

ONLINE REVIEWS: Barney Jones was booked by Derek for wife Sheila (below)

THE REAL DEAL: Kate Bush

A COUPLE are heading for DIVORCE after a devoted hubby booked THIS man for his Kate Bush-obsessed wife's 50th birthday party.

Derek Kinsey hired Brian Jones for wife Sheila's bash after reading online reviews that – dressed in drag – the tribute artist was "indistinguishable" from the genuine *Wuthering Heights* songstress.

Derek, of Middlesbrough, sighed last night: "As it turned out, the reviews were ironic. In reality, the bloke was absolutely f**king terrible.

SUNDAY SPORT EXCLUSIVE

"He turned up in a scruffy brunette wig but he took that off halfway through *Babushka*, saying it itched. And he didn't even sound like Kate Bush – he sounded more like Charlie Drake with laryngitis.

"Sheila thought I was taking the piss because I've never really bought into her obsession with Kate Bush.

"She'd had a bit to drink and said this was the 'worst trick' I'd ever played on her.

"The other guests thought it was riotously funny – which didn't help matters."

Sheila, who has since moved back to her mum's, was not available for comment last night.

Meanwhile, Brian, from nearby Thornaby – who also claims to be a Nina Simone tribute – was defiant.

He told *Sunday Sport*: "I cannot control what people write about me online. If they say I've put on a truly magical performance, that is their opinion."

He added: "Criticism of my appearance while dressed as Kate Bush is, frankly, transphobia."

Steppin' in the right erection!

MID-JULY and millions of Brits are heading to the sun for their summer holidays in the Mediterranean.

With temperatures climbing and booze flowing, the natural reserve that Britons are famous for – as evidenced in town centres every Saturday night – falls by the wayside.

And as darkness falls, perfect strangers rut like wild beasts of the field in vomit-splattered public spaces.

This loved-up pair (*right*) were spotted in the swish Magaluf resort in Majorca.

The man who took the snap, who asked not to be named for fear of appearing like some sort of peeper, said: "She was bouncing up and down on that lad's cock like a good 'un.

"The last time I saw my fking wife that excited was when the idle twat got a new dishwasher. God, I hate my life."**

Donkey bummers in rabies scare

M-ASS PANIC: Teens were rushed to hospital after sex with animal

FIFTEEN evil youngsters who BUMMED a donkey were rushed to hospital amid fears they had caught RABIES off their long-eared victim.

The filthy teens stayed at Morocco's Mechraa Belksiri Hospital for a week to receive vaccinations after the animal transmitted the disease to them.

The incident has placed the families of the youths into equal measures of distress and horror.

By SUZIE SHELDON
news@sundaysport.co.uk

Local authorities have been alerted and are searching to find anyone else who has approached and "petted" the animal, in order to limit the risk of rabies spreading further.

The incident became the subject of mockery and ridicule among the population of the small town of Sidi Kamel, in the communal providence of Sidi Kacem.

But it has also become a subject of fear and shame for parents who rushed to have their kids vaccinated.

It's feared the number of infections could be much higher, as some families preferred to take their children to hospitals outside the region in a bid to avoid deep humiliation.

The owner of the beast has been ordered to slaughter it to avoid further risk of the disease spreading.

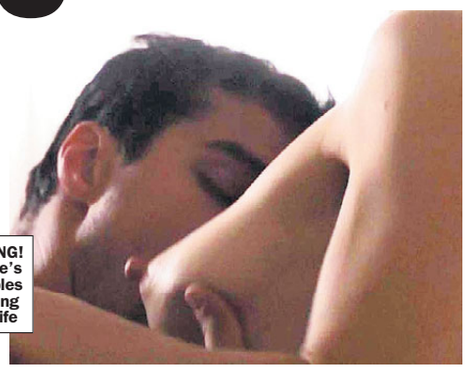
SAY IT LOUD, THEY'RE STIFF AND PROUD: Ariadna has the most amazing raspberry ripples

Has Ariadna got the BIGGEST nips in showbiz?



DOING! Babe's nipples spring to life

FANS DROOL OVER LATEST PICS

SUNDAY SPORT EXCLUSIVE
By PENNY MARSHALL

UNLESS you're into your European art house movies, there's a very good chance you've never heard of Spanish actress Ariadna Cabrol.

And that's a crying shame…

Because the Barcelona-born beauty has the biggest pair of teat-ends ever seen on film!

Ariadna, 36, made her debut in 2000 with the short film *Foc al càntir*, before going on to star in Spanish TV shows like *Los Serrano*, *Un Paso Adelante* and TV movies including *La stella dei re, Estocolm*.

Her first big break came with *Perfume: The Story of a Murderer* where she played a beggar woman – the perfumer's first victim.

Ariadna's latest release is *Made in Malta*, a romcom with a lot more tit than the usual fayre!

In it her character Annalisa romps with hunky American film-maker Vincent, played by Greg Audino.

Hatpegs

And if her chapel hatpegs are anything to be believed, she enjoyed the experience very much!

One fan said: "I could look at those nipples all day long.

"I'd love to rub some butter into them, too. I like butter, me."

Nut son hacked and shot mum…then cut out heart

A MAN on trial for the death of his mother admitted to killing her with an axe, shooting her in the back, slicing her torso open with two knives – and taking out her heart.

Omar Malik Pettigen, 35, has pleaded not guilty by reason of insanity after Nailah Pettigen, a 64-year-old retired special education teacher was found dead in her home in Fremont, California.

In the courtroom of Alameda County Superior Court Judge Allan Hymer, Pettigen said voices in his head had told him his mother was a witch.

He described her brutal killing and disembowelling as he testified on the stand.

He said he remembered taking a shower at her home, then the voices telling him he needed to go and kill his mother.

He first hit her over the head with a hatchet, then pulled her off the bed onto the floor on her stomach, while she was possibly still breathing, and shot her five times in her back "to make sure she was dead".

With two knives from the kitchen, he stabbed her multiple times in the chest and slit her open from her throat to her stomach. He then pulled out her heart.

He took another shower and masturbated before leaving and checking into a hotel.

The trial continues.

DANI MAYE: I LOVE DOGGY STYLE

By SUZIE SHELDON
news@sundaysport.co.uk

BUM'S the word for dishy Dani Maye – as she loves having her shapely botty spanked while she is being taken from behind!

The glamour model said doggy style is her favourite sex position, as it give her lucky man a glorious view of her shapely buttocks.

And the 24-year-old is even partial to a little slap and tickle between the sheets.

Cheeky Dani, from Kingston in Surrey – who boasts 32E curves – said: "I love doing it doggy style.

"I like to be submissive and have no control. I love the feeling of being completely dominated – it's a real turn-on, especially when he's being just a little bit rough.

"I have to admit I like a bit of spanking and having my hair lightly pulled – doggy style is just perfect for that."

My perfect Sunday...

Rosie Lee, 21, 30F, from Brighton

LOVELY TO MEA YOU, ROSIE LEE!

RAUNCHY Rosie Lee has certainly got great specs appeal.

And she's also got a good eye for what she enjoys on the Sabbath.

The 21-year-old from Brighton said: "Sundays are for carveries in my book.

"I love going to a boozer out on the Sussex Downs and getting to grips with a big Sunday lunch.

By WENDY THOMAS
news@sundaysport.co.uk

"It's best if you get a choice of three meats: beef, turkey and ham.

"I'll normally have beef and turkey – ham's a bit salty to go with the gravy.

"Then I'll get loads of mashed spuds, peas, cabbage and gravy.

"I love gravy, me.

Drooling

"And if I'm feeling extra peckish, I'll finish it off with a Yorkshire pudding and a big dollop of horseradish sauce.

"Hmmm, I'm drooling just at the thought of it."

LEGENDS OF PORN

PART 65 ANISSA KATE

SULTRY Anissa Kate was born 32 years ago in the French city of Lyon.

By PENNY MARSHALL
news@sundaysport.co.uk

Her family is of North African origin, which is what gives Anissa her exotic looks.

Prior to her career in porn, Anissa was a regular at kinky swingers' clubs, and her debut in porn came in 2011 under the direction of Alexander Legland.

Her first scene was in the film *Ultimate French Girls 3* with grot legend Tony Carrera.

She then shot with Christophe Clark in Budapest for DXK and in the UK for Harmony.

She moved to the United States in early 2012, and is now one of the most sought-after actresses in the adult film industry.

In 2015 she won the coveted AVN Award for best Double Penetration Scene – very much the gold standard of porn.

Anissa specialises in bondage and bukkake and boasts 37E busters, which wobble when she takes it up the shitpipe.

Zut Alors!

PUB TALK

THE pub is a great place to meet old mates, relax and have a laugh over a couple of drinks.

Each week in *Sunday Sport* our reporters visit one of Britain's best boozers and ask two bubbly babes to spill the beans on the spicy details of their sex lives!

Here we get the lowdown from a pair of saucy stunnas from Chelmsford in Essex…

ROXI FRASER
AGE: 23
FROM: Chelmsford
OCCUPATION: Student
FAVE DRINK: Cocktails
FAVE FOOD: Mexican
FAVE FILM: *Anchorman*
FAVE ACTOR: Johnny Depp
FAVE HOLIDAY: France

KITTY GREEN
AGE: 24
FROM: Chelmsford
OCCUPATION: Sales assistant
FAVE DRINK: Cider
FAVE FOOD: Italian
FAVE FILM: *The Bachelor*
FAVE ACTOR: Daniel Craig
FAVE HOLIDAY: Thailand

FIRST TIME

ROXI: What was your first proper sexual experience like?
KITTY: I was 16 and it was with my first proper boyfriend. It was very special.
ROXI: Was it disappointing or did it live up to your expectations?
KITTY: It was really good actually.
ROXI: I was 16, too, but it was all a bit embarrassing. We were at a friend's house during a party and everyone was trying to barge in on us because they suspected what we were up to!

FAVE POSITION

KITTY: I like being on top, but I do other positions as well.
ROXI: I'm more of a reverse cowgirl person because I like to ride blokes – if you know what I mean. Why do you prefer on top?
KITTY: It's just more comfortable and I like being in control.
ROXI: When you're on top you're completely in control and can make it better for yourself.

OH-NO MOMENT

ROXI: Once my mum walked into my room while I was giving my boyfriend a handjob. I tried to cover up what we were doing but I think she worked it out.
KITTY: I shouted out a different guy's name when I was having sex with my boyfriend once. I felt terrible. We broke up pretty soon after.

FAKING IT

KITTY: I've done it once or twice. It was just to get it over with, because I was tired.
ROXI: I've made a point of never faking it. I tell them what to do, if they're doing it wrong – it makes them want to improve so they're keener the next time.

WILLY SIZE

KITTY: What's the biggest willy you've had?
ROXI: I think it was about nine inches – it was a bit of a beast. And to say it was pleasurable would be an understatement.
KITTY: My boyfriend is about eight inches and that's great. If it was any bigger it would probably hurt. Girth is as important as size for me, too.

SPIT OR SWALLOW?

KITTY: I spit every time. He should count himself lucky if it even gets in the mouth.
ROXI: It's not my favourite part of sex, and I always spit.

STRANGEST PLACE

KITTY: What's the strangest place you have had sex?
ROXI: I was having sex with my boyfriend on the seat of a packed train once and everyone around us figured out what was going on. It was quite kinky knowing everyone was watching. When I got off the train I waved at everyone.
KITTY: I've never had sex outside or anywhere weird, but I'd like to try it.
ROXI: If you could do it anywhere in the world, where would it be?
KITTY: I'd love to have sex on a deserted beach somewhere hot and also in the sea.

DRESSING UP

ROXI: Have you ever dressed up in anything kinky for sex?
KITTY: I've worn sexy underwear but that's all. How about you?
ROXI: Just kinky undies. I don't think I'd get any wilder than that.
KITTY: I find skimpy lingerie a turn-on for men and for me, too. I love parading around the room wearing next-to-nothing. It's great foreplay.

BUM FUN

KITTY: Have you ever tried anal sex?
ROXI: I've never really had the urge to give it a go. I'll try it one day.

> **"We move things on a bit and make sure he's well lubed up before inserting just the tip of it…"**

KITTY: I quite like it to be honest. If I'm feeling really turned on I like to have a guy lick my bumhole while he's fingering me and getting me soaking wet. Then we move things on a bit and make sure he's well lubed up before inserting just the tip into my arse first, then build up a steady rocking rhythm until he's pounding into me. I like having my clit rubbed at the same time – it always gives me a fantastic, shuddering orgasm.

ROXI: Wow! Sounds like I'm missing out on something great here – I'll have to give it a go soon!

FANTASIES

ROXI: This is going to sound awful but I've fulfilled every one of my fantasies – I need to have some new ones!
KITTY: I'd like to be dominated by an older man – a stern teacher-type. I want him to order me around and take his time with me – telling me to strip off and play with myself before we finally get to shag.

SEX TOYS

ROXI: What sex toys do you own?
KITTY: I haven't got any but I'd love to get a Rampant Rabbit. They look like they're great fun!
ROXI: I used to have one and that was great. But I wore that one out! I've got a drawer full of other ones at home. They're great. The drawer was so heavy it broke once so I had to get my landlord around to fix it – but I forgot to empty it first and he saw all of my naughty toys… oops!

THREESOMES

KITTY: Have you ever had sex with two other people at the same time?
ROXI: Three isn't necessarily a crowd… that's all I'm saying!
KITTY: So I take it you have – come on, what was it like?
ROXI: It was with another woman and a guy I was briefly dating. She was a friend of his and we all went out on a night out and got on so well it just seemed like the right thing to do when someone jokingly suggested it. The sex was so amazing – I loved being the centre of attention and I remember at one point having hands and mouths all over my naked body.

LESBO ACTION

ROXI: How far have you gone with other girls?
KITTY: When I've been a bit tipsy I've snogged a few other women but I've never taken it any further.
ROXI: Would you like to have some lesbo action at some point?
KITTY: I'm not sure. It would depend on the situation – but never say never.
ROXI: Apart from my threesome, I've gone all the way with two other babes – at different times – and it was really great. Only another woman really knows how to touch a woman properly, and hit all the right buttons. I love touching another girl's soft skin, caressing her boobs and the feel of her tender lips on mine.
KITTY: So you'd recommend it?
ROXI: Well, my experiences were good but men are far better in the long run!

SUNDAY Sport SEXY BACK END!

TIFFANY CAN'T GET ENOUGH!

GORGEOUS Tiffany Rousso has admitted she's insatiable between the sheets.

It's no wonder the busty blonde is never short of men chasing her for a date, looking at these jaw-dropping snaps!

And the 26-year-old babe, from Widnes, Cheshire, confessed she runs rings around most of her lovers as she has such a high sex drive.

By WENDY THOMAS
news@sundaysport.co.uk

Tiffany said: "Personally, I just can't get enough sex. I would have it all day, every day, if I could.

"I wake up horny, desperate for sex, and I am absolutely gagging for cock before I go to sleep, too.

"I realise that sometimes that can be really intimidating for guys, because they feel like they just can't keep up.

"But it doesn't have to be full sex. I'm happy to satisfy my cravings by getting on my knees and treating them to a blowjob!"

By WENDY THOMAS
news@sundaysport.co.uk

She revealed she loves a bit of GIRL-ON-GIRL action in the bedroom, too!

The 34FF glamour model said she "could play with a woman's boobs all day long".

The 25-year-old, from South Shields, Tyne and Wear, said: "I love the curves of a woman.

"Sleeping with girls is such a sensual experience.

"A woman's skin is so soft to touch and I just love boobs – I have a pair of my own, yet I find them totally mesmerising!

"I get so turned on caressing and licking nipples, and when a girl is doing the same with mine.

"I'd definitely say I'm bisexual. But after I get really hot and horny with a girl, I need a man to join in and finish me off with his big cock!"

LUCIE LOVES TO GET WET 'N' WILDE

By WENDY THOMAS
news@sundaysport.co.uk

SHOWERS those big boobs, Lucie!

Prague-born starlet Lucie Wilde is already a legend after just a few years taking it up the shitter professionally.

And it's not just because her mammoth 34L busters are about the biggest in the adult business.

Lucie made her first hardcore flick in 2014 but took to it... well, like a Czech woman to porn.

Holes

She takes it in all holes, as well as two holes at a time.

Lucie has even made a little watersports movie in which she winkles a stream of tinkle from her fully-shaven smooth snatch all over her fella's erect manhood.

And afterwards, she takes a big dollop of spunk in her chops.

What a gal!

THE WORLD FAMOUS AGONY Page

Dear Ava,

I LOVE the sunshine and showers we've had this summer, and it makes for great outdoor sex.

I took my bird out for a walk last month and got caught in a downpour.

But then the sun came out and we peeled off our kit to get dry.

Then I went down on my bird's lovely shaven mound and tongued her to completion.

However, the moment was spoiled when a park keeper caught us at it.

How do you feel about outdoor sex?

SR, Hants

Ava says...
SORRY, I'll have to say thanks, but no thanks! I prefer a lovely comfy bed.

Dear Ava,

I'VE been having a clear-out of my really old videos I found in the garage as everything is either online or on DVDs these days.

I found one or two classic pornos and dug out the video player then sat down with a beer to watch them.

I was well into it when the wife came in and caught me with my cock in my hand.

She cried out in horror, but I saw the glint in her eye and it wasn't long before she was bouncing on my hard dick.

Should I keep my old video collection?

KN, Herts

Ava says...
IF it means having great sex with your partner, then I'd have to say, 'Absolutely!'

Sunday Sport SEXY BACK END!

Guitar lesson lass shows me a stairway to heaven

Dear Ava,

I TAUGHT myself to play the guitar years ago but recently decided to take some professional lessons.

And you can imagine my surprise when the home tutor I'd hired turned out to be a very fit young woman.

She was a good musician, too, and soon had me playing pieces of music much better.

It was after a few lessons that I plucked up the courage to suggest to her maybe I could try a bit of an air on her G-string.

I knew it was a corny line, but she was a great-looking woman with a lovely figure and I thought it was worth a go.

Well, I must have plucked the right chord because she agreed to a shag right there and then!

We stripped each other naked and we were soon making sweet music together.

She climbed on top of me and started sliding up and down my love-rod like the clappers.

As she rocked her head from side to side her tits jiggled up and down in time to her screams of pleasure.

The rhythm of her up and down movements were just right for the rock number I was composing in my head.

And she reached the end of the movement when my hot spunk spurted up inside her pussy.

She climbed off and then set to work licking and sucking the mixture of jizz and her own love juices from my dick.

I decided it was only right that she should finish off this particular lesson on a high note.

So I parted her legs, pushed them back over her shoulders and plunged my tongue as far as I could in to her sopping wet fanny.

It had the desired effect and she thrust her hips forward to get my tongue as far in as possible while moaning with pleasure.

Just as she was about to release her love-juice I pulled my tongue out and rammed my rock-hard knob inside her – pumping away until we both orgasmed together.

Afterwards, she told me that she always shagged the men she was teaching guitar to and said her friend – who teaches piano – does the same thing.

Should I take up the piano?

KT, Bristol

Ava says...

WHAT about a trumpet teacher? She could give your horn a good blow!

Dear Ava,

I'VE been off work with what I thought was summer flu.

So I took to my bed and as the wife was suffering, too, she joined me.

We both had sore throats and headaches but I still managed to persuade her to suck me off. And even though I felt pretty dodgy I went down on her and licked, sucked and fingered her to sexual heaven.

We both felt transformed afterwards and went to the pub for a jar. As I'm signed off for a week, I intend to make the most of it.

MT, on email

Ava says...

I'M not sure sex is a recognised flu cure, but it sounds worth a try!

Cook your tea? Kiss my arse!
Okay, but if I don't eat soon I'll faint!
Okay, you can eat out...
...MY MINGE, THAT IS! Go on, lick up my labia grease!
(Sigh) I'd rather have some actual gammon!

Ava says...

THIS is 2019! Make your own bloody tea! You should be grateful that your wife is a hornbag!

FANS of adult entertainment may recognise Victoria Blaze.

The Czech-born stunna appeared in the XXX movie *Young Harlots*, where she takes porn stud Danny D square in the trumper.

And as Danny has a winkie you could bang fence posts in with, that's quite an eye-watering achievement!

Victoria, 25, who has lovely 34C boobs, said: "Anyone who has watched any of my movies can see that I enjoy my work very much."

GER HE GOES: Sheyi Ojo

OJO CAN FIRE GERS TO GLORY

THE recent gulf in class between Celtic and Rangers narrowed considerably last season and I hope to see Steven Gerrard bring out the best in Liverpool loanee Sheyi Ojo who has all the talent in the world, but whose career has stalled in the last couple of years.

Yes, he has only just turned 22, but I felt he would be a Liverpool first team regular by now such was his promise as a teenager.

Liverpool do not give five-year-deals unless they have a player they feel can make a difference and Ojo was given five years by Jurgen Klopp earlier in the summer.

Gerrard will have to wait, possibly until deadline day, to see whether he will have another Liverpool loanee Ryan Kent back in his ranks for next term.

I feel last season's Scottish Young Player of the Year will end up back at Ibrox this term, but it will depend if Klopp can bring in a major signing with the Reds heavily linked with a summer move for former Red Phillippe Coutinho, his Barca teammate Ousmane Dembele or Ajax's Brazilian winger David Neres.

I feel this will be the season that Rangers' finally wrestle the SPL title from Celtic and at 9/4 with BetVictor they look overpriced in what is a match with their Old Firm rivals 1/3.

Victory

There are two sessions of the World Matchplay Darts championship at the Winter Gardens Blackpool this afternoon and with Michael van Gerwen proving vulnerable in recent weeks I feel we may have a new name on the Trophy next Sunday evening.

The hottest player on the PDC tour is Peter Wright who has won the last three tournaments and is 12/1 at BetVictor.

Snakebite does not have the best of records in Blackpool, but he will not have many better opportunities with Mighty Mike — 11/8 favourite — strangely out of sorts since his Premier League of Darts victory.

I think the Winter Gardens stage is set for a shock this week and my two against the field in this 32-runner event are Wright and Glen Durrant who is at 50/1 with BetVictor. The draw has been kind to Wright and the 6/4 for him to win his quarter with BetVictor looks overpriced.

My two bets today would be for Krysztof Ratajski to beat Darren Webster and Glen Durrant to beat Adrian Lewis. The double pays just over 13/10 at BetVictor and that is the recommendation.

The weights suggest Al Shahir (2.40) has a bit to find at the weights in the 2m Chase at Newton Abbot today, but I just feel that the return to the minimum trip will suit Dan Skelton's six-year-old who can cause a bit of a shock in the valuable novice event.

RARING TO GO: Rodri has made a bright start at Man City

Hot Rod: I'm living the dream at City

SPANIARD READY TO SHAKE UP ETIHAD

RODRI says he's living the dream since signing for Manchester City.

By ANDY MILLOM

The £65m signing from Atletico Madrid starred as the Premier League champions beat West Ham 4-1 in China.

The club record signing pulled on a blue shirt for the first time and was at the heart of midfield for the opening 70 minutes.

The 23-year-old is looking forward to making an impact on English football.

He said: "It's a dream coming here and I only started a week ago.

"I'm excited to start and for me it's important to get rhythm and new concepts with my new team. I am happy and excited to play at City. I hope we have the same and more success."

Rodri admits it will be a challenge to adapt having spent his career in Spain so far where the pace can be slower.

But he's confident of fitting into the role that has been performed so well by Fernandinho in recent seasons.

He added: "It's always different in another country.

"We are competing of course with other players but when you play for City, you have to play football.

"It's always different to other countries but it's football so we have to compete, work and run just the same.

"I'm young and I have a lot to learn. That's why I came to win and grow as a player."

Rodri has been a defensive midfielder for Atletico but he admits he has to change his game to meet Pep Guardiola's demands.

Focus

He will have to cover more ground than he's used to in La Liga and there are more high-profile games in the Premier League.

Rodri added: "The manager has told me what I have to do on the pitch.

"I have to focus on both the defensive and offensive side of the game.

"It's a start for me, it's not easy I have to adapt my way of playing and get to know my partners.

"I will get more confident and more used to my partners and understand them and for me it's good he tells me things.

"He has been telling me about movement. What I have to do with the ball when I get possession of it, how I organise my partners.

"There are many things. I can't explain all at once but you will see over the season. I will adapt to this team.

"You have to keep working and look what he's teaching you and that's why I came here."

MY REDS NEED FLYING START

OLE Gunnar Solskjaer says the first 10 games of the season will be Manchester United's biggest in years.

The Norwegian is desperate for the Reds to make a flying start as they bid to get back into the top four.

Last season's poor form is coming home to roost as United face a stamina-sapping Europa League campaign. They are straight into the group stage which kicks off in mid-September.

There will have been five EPL matches before that and, while Solskjaer is very much trying to keep a lid on expectations, he wants to be up with the early pace.

By MARK NAYLOR

The United boss says he has trained his players much harder than they are used to.

That should help in the early weeks when players are still rusty.

Solskjaer said: "The transfer window will close when the league starts and the start of the season is important.

"That's why we've worked them hard, I don't think many players have had a pre-season like this before in the last two or three years, because there have been championships.

"For many of them it's a first pre-season in a little while."

Solskjaer hopes United's players will show the benefit of all their hard work.

They have been in Singapore and Australia and there's a danger that the travelling could take plenty out of them — although they are not exactly flying cattle class!

Solskjaer added: "In the first eight to 10 games you don't win anything but you can definitely lose the chance to win things, so the first two months are vital.

"The Premier League is a very competitive league.

"Our aim is to focus on ourselves, we have to be better and be our only focus. I am sure we will get closer to the top.

"There has been constant speculation about some of the biggest players this summer."

It looks as though Paul Pogba could well be at the club come the big kick-off because a deal with any team is proving hard to complete.

Snag

The Reds gaffer hopes to have the Frenchman in his squad and is confident that he can get the best out of him should a deal with Juventus or Real Madrid not materialise in time.

He said: "I am looking to get everyone to get their form back to when we first came in.

"It is not just about Pogba, it is about all of us as a team.

"Everyone has been spot on in pre season in training and the games. I have been very encouraged."

Romelu Lukaku did look certain to sign for Inter Milan but it appears that the deal has hit a snag.

The Belgian striker was injured when the sides met yesterday in Singapore with the Norwegian staying tight-lipped.

All he would say was: "He is not fit so not available to play. I don't have any transfer updates from the last time I talked about it."

HURT KANE CALLS FOR MORE

HARRY Kane says Spurs have to pull their socks up to challenge for the Premier League this season.

It was a case of so near, so far for the Londoners last term as their title run fizzled out and they were beaten by Liverpool in the European Cup final.

Kane was missing for much of the final weeks with injury and admits he has to take his share of the blame for the disappointment.

The England skipper said: "It was a tough one to take.

By PAUL THOMAS

We did extremely well to reach the Champions League final and, of course, when you get to those big games and you don't quite perform the way you know you can, that's always the bit that hurts you the most.

"We know it was there for the taking and that's something we have to deal with and something we've had to think about over the summer.

"It's a hard one to get over but, all in all, with everything surrounding us, the start at Wembley, and things like that, I think we did extremely well.

"It's now given us the confidence and belief that we can be in the big games, the Champions League finals, so it's down to us this season to try and perform again."

Kane admits there were a few matches last season where Spurs just didn't turn up.

They were beaten at home by Wolves and also copped costly defeats against Watford, Burnley, Southampton and Bournemouth as they slipped to fourth spot.

Kane added: "It's hard to sit here and say a reason why or how we're going to do it, we just have to play better, perform better.

"We know we could have done a lot better in the league last season.

"There were certain games that were just unacceptable from our point of view, so we need to try to be more consistent. That's the key."

TALENT: Longstaff

Longstaff Toons up for mega transfer

NEWCASTLE midfielder Sean Longstaff has left the door open for a move to Manchester United.

The 21-year-old was a real high point for the Toon last season as the academy graduate broke into the first team.

He made just eight top-flight starts but that was enough to put him in the England picture — and linked with a move to Old Trafford.

United are prepared to pay £25m to do the deal but the Toon are looking for around double that figure which has scared the Reds off — for now.

Despite being a local boy, Longstaff is not ruling out a move.

He said: "If somebody had said to be me a year ago I would be in this position, I would probably have laughed at them.

"This time last year, I was deciding whether to go to League One on loan.

"A year on, you are seeing your name linked with one of the biggest clubs in the world.

"For me, it is all a positive really. It gives you even more confidence. When I was in for a short amount of time, people took notice of me.

"It is flattering, but my job is at Newcastle."

Bright

You could forgive Longstaff for looking elsewhere given the turmoil at St James's Park.

Champions League winning manager Rafa Benitez has been replaced by Steve Bruce who is taking charge of his 11th club.

Of all managers with 200 or more Premier League games under his belt, Bruce has the second lowest win record of 28%.

Benitez is near the top of the table on 49% wins.

But Longstaff is doing his best to look on the bright side.

He added: "The new boss is coming in and it's a clean slate for everybody — including me.

"I just get my head down and work on the pitch. Like anybody knows, you are no use to anybody if you aren't fit."

Bruce wants to make Longstaff a key part of his team and it would be a major blow if he's forced into a sale.

The incoming boss is looking to strengthen but knows time is running out before the season starts in less than a month's time.

Charlie Austin and Daniel Sturridge are two names being linked.

Bruce: I WILL stand up to Ashley

STEVE Bruce says he will stand up to Mike Ashley as Newcastle boss.

The former Sunderland gaffer is dividing opinion with the Toon Army who wish Rafa Benitez was still in the hotseat.

But Bruce has been quick to silence talk that he's a puppet or a yes man for owner Ashley.

By JOHN ANTHONY

He said: "I'm my own man, I understand the challenge of what lies ahead, I'm not everyone's cup of tea and I'm not Rafa.

"Whoever came into this seat would have found it difficult but with my experience, I'm confident we can continue to take the club forward.

"Just judge me over the period of time, and I'm quietly confident after nearly 400 games in the Premier League I can do OK."

Bruce revealed that he almost took the Toon job a decade ago.

He added: "I regretted it 10 years ago and suffered with it for 18 months kicking myself asking why I didn't do it.

"I turned it down over loyalty. Now I'm like every Geordie living that dream, how lucky am I?

"I understand I've got big boots to fill — but I couldn't really refuse the opportunity."
